House for a RALLY.

We RALLY for the UNBORN, for proper
care for pregnant WOMEN and for the
GENERATIONS to come.

We RALLY AGAINST the
LATE-TERM ABORTION BILL.

Cherish Life Qld will supply all signage,
please don't bring any signs

PLEASE HELP STOP THE LATE-TERM ABORTION BILL *DUE FOR VOTE 16 OCTOBER*

The Termination of Pregnancy Bill is a brutal abortion-to-birth Bill which would effectively legalise abortion for any reason, at any stage of pregnancy. Here is a summary:

1

Abortion for any reason to 22 weeks gestation.

2

Abortion from 22 weeks to birth, under a wide range of criteria including “social” reasons.

3

No safeguards for women considering abortion - no independent counselling, informed consent conditions or cooling-off period.

4

Sex-selective abortion would be legal.

5

Abortions to be done for free in taxpayer-funded public hospitals.

6

Doctors with conscientious objections must refer for abortion.

7

150 metre exclusion zone around abortion clinics.

What you can do to help STOP the Bill:

- **Connect with your state MP** — preferably through a meeting or letter asking them to reject this extreme Bill
- **Be engaged in media and social media** on this issue. Please write at least one letter to a state wide or local paper during this campaign. Letters to The Courier-Mail editor are sent to letters@couriermail.com.au (please keep it less than 250 words and include your name, address & phone no.)
- **Tell your friends & family this is happening** — a lot of people still don't know, if they did they would be horrified. Only 6% of Queenslanders actually agree with abortion up to birth.

PLEASE ACT QUICKLY, THE VOTE IS DAYS AWAY.
